Welcome

I am very pleased to introduce the new edition of the **Phoenix Hospital Group** Directory of Consultants and Specialists. In this directory you will find information about our facilities, services and our principle Consultants and Specialists; we also include details on key contacts and how to refer patients.

Phoenix continues to expand the range of services it provides and we are delighted with our progress. Our facilities are supported by a growing network of medical Specialists who are experts in their fields with our patients continuing to provide excellent feedback on their care.

I would like to take this opportunity to thank you for your continued support.

With very best wishes

What we do

Phoenix Hospital Group provides excellence in patient care via a state-of-the-art hospital on **Weymouth Street** and prestigious consulting rooms and dedicated diagnostic and imaging centres at **9 Harley Street** and **25 Harley Street**.

Phoenix is the leading independent provider of healthcare in central London, offering our patients individual and personal care and ensuring they feel totally reassured at every stage of their journey with us.

Weymouth Street Hospital

Weymouth Street Hospital is situated in the world renowned Harley Street Medical Area in the heart of central London. It provides a wide range of medical and surgical procedures in modern surroundings and is widely recognised as one of the UK's most luxurious independent hospitals, providing first class healthcare across a wide range of specialities.

Our beautifully designed patient bedrooms provide luxury and comfort. The accommodation and facilities have been designed to an exemplary standard, providing new levels of patient services in central London. Delicious freshly cooked food is served to order.
